1. WELCOME

January 2015

Welcome at Le-Amen. We trust that it will once again be a wonderful year.

Le-Amen wishes each family a prosperous and most joyous year ahead.

We believe that a positive partnership, based on an open friendly relationship between staff and parents is essential to every learner's education. The school strives to create a positive ethos to create a happy, safe and effective environment for pupils, staff and parents.

Enjoy your children. Before you know, they are grown!

*"Mama exhorted her children every opportunity to "jump at the sun".
We might not land on the sun, but at least we would get off the ground!"*

2. MISSION STATEMENT:

If I learn my ABCs, can read 600 words per minute, and can write with perfect penmanship, but have not been shown how to communicate with the Designer of all language,

I have not been educated

If I can deliver an eloquent speech and persuade you with my stunning logic, but have not been instructed in God's wisdom,

I have not been educated

If I have read Shakespeare and John Locke and can discuss their writings with keen insight, but have not read the greatest of all books – the Bible – and have no knowledge of its personal importance,

I have not been educated.

If I have memorized addition facts, multiplication tables, and chemical formulas, but have never been disciplined to hide God's Word in my heart.

I have not been educated

If I can explain the law of gravity and Einstein's theory of relativity, but have never been instructed in the unchangeable laws of the One Who orders our universe,

I have not been educated

If I can classify animals by their family, genus and species, and can write a lengthy scientific paper that wins an award, but have not been introduced to the Maker's purpose for all creation,

I have not been educated

If I can recite Gettysburg Address and the Preamble to the Constitution, but have not been informed of the hand of God in the history of our country,

I have not been educated

If I can play the piano, the violin, six other instruments, and can write music that moves men to tears, but have not been taught to listen to the Director of the universe and worship Him,

I have not been educated

If I can run cross-country races, star in basketball and do 100 push-ups without stopping, but have never been shown how to bend my spirit to do God's will,

I have not been educated

If I can identify a Picasso, describe the style of da Vinci, and even paint a portrait that earns an A+, but have not learned that all harmony and beauty comes from relationship with God,

I have not been educated

If I graduate with a perfect 4.0 and am accepted at the best university with a full scholarship, but have not been guided into a career of God's choosing for me,

I have not been educated

If I have become a good citizen, voting at each election and fighting for what is moral and right, but have not been told of the sinfulness of man and his hopelessness without Jesus Christ,

I have not been educated

However, if one day I see the world as God sees it, and come to know Him, Whom to know is life eternal, and glorify God by fulfilling his purpose for me,

Then, I have been educated!

- The curriculum enables the learners to acquire the basic skills, to build upon these in order to achieve their full potential.
- We aim to develop the pupils' awareness and understanding of the environment both within their own community and in the wider world.

4. ENROLLMENT, SCHOOL TERMS

Enrollment

- All learners must be approved through a formal testing.

- After being approved, an application form, indemnity form and S9 form must be completed by both parents.
- We will need the latest school report as well as a transfer card from the previous school.

School terms and times

- See school terms for 2015.
- You will notice that there is a midterm break approximately every 3-4 weeks. According to our working method, no time is wasted.
- The students work at a strict and steady pace to finish their goals every day and they also have to get used to self-study. We have noticed that after about 3-4 weeks they are extremely tired.
- School will start at 8h30 and finish at 13h30 Monday – Thursday
- School will start at 8h30 and finish at 13h00 Friday
- When there is a midterm break, school will start at 8h30 and finish at 12h00 on Thursday
- During exams, school will start at 8h30 and finish at 11h00

- Ensure that you make the necessary arrangements to collect your child on time in the afternoons.
- Learners that are still at school half an hour after the school has closed, will be charged a R70 penalty fee.

5. WORK PROCEDURE, WORKING STATION, TEACHING

Work Procedure

- Our curriculum is based on the SAGS guidelines required by the Independent Examination Board (IEB).
- Learners will do 4 compulsory subjects and 3 choice subjects.
- Assessment will take place at the end of each term.
- We provide a stimulating and challenging classroom where appropriate resources are used to meet requirements. We use various teaching methods (classes, group work, individual work, etc.), text books and work sheets.
- Each student will receive a goal chart on Mondays, indicating all the work to be completed for the week. Pacing themselves, they must complete each day's goals. Any outstanding goals will be given as home work.
- It is expected of a grade 10 learner to reinforce the work done during the school day at home in afternoons.

Teaching

- As the school system spoils the students by spoon feeding them, they might find Le-Amen's teaching methods strange in the beginning, however they adapt quickly.
- Our ultimate aim is towards self-study, which will benefit the student's whole study career.
- Classes will be given when a new concept or section is introduced. Thereafter the work sheets/text books in the various subjects are self-explanatory and the student can complete it on his/her own. Individual attention will be given. No time will be wasted, as the student needs to carry on with any of the other subjects whilst waiting to be attended to by a teacher.
- Since it is a small group, individual attention can be given.
- We maintain a high standard. Demarcation and exam time tables will be available well in advance.

6. FEES & STATIONARY

- Fees must be paid in advance during the first week of every month.
- No service/teaching will be given if account is still outstanding by the 10th of the month. The learner will be suspended, until the account is settled.

- One term's notice when pupil wants to leave the school.
- When leaving the school at end of 3rd term you are liable for the 4th term's fees.

- No energy drinks and unhealthy food that will rob them of their concentration will be allowed.

Uniform

- No uniform is required, however, keep the clothing appropriate.
- Pupils can wear normal casual clothes. Must wear shoes/slops for thorns, bees, etc.
- Do not wear best clothes to school as the children play and clothes can get dirty or tear.
- Appropriate tennis clothes and shoes are necessary for tennis on Fridays.

Play ground

- There will be supervision as teachers are either in the class room or on playground at all times.
- Play area: The children may make use of the whole area at the bottom of the property.
- Areas that are out of bounds: Horses, House verandas, Business area or near the main gate.
- Dogs: They are very child friendly. Students are allowed to play with them, but may not feed them at all.

- Trampolines: No shoes, no dangerous tricks, no wrestling.

Medical

- Parents are requested to inform us of any medical condition or medication that the child needs to take.

9. OUTINGS, SPORT & EXTRA MURAL

- We go on outings with the school bus. Vincent Willems is the driver and does have all the documentation/licenses for transport.
- Fees for the outings are additional to the school fees, but we always keep it as fair as possible.

10. PARENTS, DISCIPLINE

Parents

- The school strives to create a positive ethos. In order to maintain good links with parents and the wider community the school produces a monthly newsletter to inform parents about school activities and upcoming events.
- If necessary, we will contact the parent during the year for a meeting to discuss any issues concerning a child. If you therefore do not hear from us, it is an indication that everything is going well.
- Although we prefer not to run to parents for all petty issues, it does not mean that you as the parent do not have to be involved with your child's education. Please check and assist with any homework, tests and exams.
- We will have a parents meeting before the June and final exam.
- If you need to speak to a teacher concerning your child, you are most welcome to make an appointment at the office.
- We will not tolerate car park gossip. If you have any bad feelings or discrepancies with the school, please bring it to our attention so that we can resolve it in love.

Discipline

- Our positive school discipline plan aims to help pupils develop socially and academically. Since it is a small group of different ages, there is less peer pressure. This eliminates a lot of problems. Sometimes just a stern look is enough to let a child know that he/she has overstepped the boundaries. If necessary, the child will stay in during break time and be given lines or any other suitable punishment.
- Bullying: We will not tolerate any bullying at the school. There is however a fine balance between bullying and a child who likes to play victim. We will deal with it carefully and with much discretion.
- We believe that once a problem has been sorted out and the child has apologized, it is forgiven and forgotten. No one then needs to gossip or keep grudges or have an attitude thereafter. If your child thus tells you stories of things that happened at school, please find out whether it has been dealt with and then use your discretion to guide your child to deal with it in the correct manner.
- If your child has a problem with another student, please notify us of it so that it can be dealt with. No parent is allowed to confront another child on the school premises.
